The circumstances were rather out of the ordinary. The boy was bilious and he had been given a dose of castor oil, followed by a spoonful of corn whisky to destroy the taste of the oil. The whisky was in a pint flask and was set on the table. When alone the boy drank the entire pint of whisky and was made very drunk. He lay on a cot all day and in

Ten years ago their "golden wedding" anniversary was marked by a grand reception given in their honor by Mr. and Mrs. Wm. C. This year, their 60th anniversary was not marked by any public function, but many there were who were made aware of the anniversary and who offered congratulations. There is no more honored couple in Crescent City than Mr. and Mrs. Norton and the people generally will feel like congratulating them on their long and useful life, about one half of which has been spent in this place. That they are privileged to enjoy the evening of life in comparative health and strength is also cause for con-

Christian Endeavor Activities in Florida.

Temperance grows stronger in Palatka News and is good reading. In The Ohio Endeavorer for October s the following beautiful poem. We copy it feeling that some may enjoy

eading it as we did. A Friend's Prayer.

The Lord preserve thy going out, The Lord preserve thy coming in; God send His angels round about

To keep thy soul from every sin;
And when thy going out is done,
And when thy coming in is o'er;
When in death's darkness all alone,
Thy feet can come and go no more, The Lord preserve thy going out From this dark world of grief and sin; While angels standing round about

Sing God preserve thy coming in." Our Endeavorers seem to be all useful folks. Here is the itinerary for four evenings last week of Miss Maude Clark, East Coast president, and secretary of the West Palm Beach society.

"Monday night met with the young people at church to study in the Bible question class. Tuesday night closed library (of which Miss Clarks has charge), and went to hear the prohibi-tion quartette—good. Wednesday even-ing played for Methodist prayer meet-ing. Thursday night attended C E, choir practice at the Congregational

An invitation reached our office read-ng this way. "The Christian Endeavor society of the First Christian Church, Society of the First Christian Church, Jacksonville, entertains in the church parlors, Sept. 8th, from 8 to 10:30 o'clock. Your presence is requested. Honorces, Ralph W. Pattison, Earnest E. St. John, Jesse Stevens, Wm. McIver Lamb, Sam Westwood, A. Buckley, Wm. H. Finch, Russell Bogue, and Carl Wm. H. This meant that the Endeavor society
was giving a "send off" to nine of its young men leaving for college life in Kentucky.

Miss McManaman, society reporter Miss McManaman, society reporter thus describes the social. "We had a splendid crowd of folks, old, young and younger, as the boys are such favorites. We had a nice program, vocal and instrumental selections, a dialogue, and recitation, the latter by a Junior. Then we had a guessing contest—different kinds of wives. Will send you a copy of it some day. Mr. Ralph Pattison, president of the society and Miss Fletcher had the greatest number of correct answers so were pardners for the Fletcher had the greatest number of correct answers so were pardners for the evening and were presented with a huge box of candy. Just after the program Mr. Pattison was asked to step forward as the new president, Mr. Richardson had a word to say to him. Then Mr. R. presented him in the name of the society a lovely Bible, revised version, flexible back, India paper, thumb indexed, concordance and a perfect beauty. Mr. Pattison was very much sur-Mr. Pattison was very much prised but responded very nicely. Then we hustled down in the basement where to please us all was a telegram from President Linn expressing his regrets at not being able to attend and sending his

greetings."

Not many societies are sending away nine students probably but we might wish a cordial "God speed" to those we have as did those enthusiastic young people in the metropolis.

In last week's Reporter Star, of Or lando is a mention copied from the Louisville Courier Journal. It tells in Louisville Courier Journal. It tells in appreciative words of our good Endeavor friend, Rev. C. O. Groves, once of Orlando but now called to the Westminister Presbyterian church at Memphis, Tennessee. Mr. and Mrs. Groves left many Endeavor friends here who wish them success. wish them success.
